NOTICE: A person who is engaged for compensation in the rental of equines or equine equipment or tack or in the instruction of a person in the riding or driving of an equine or in being a passenger upon an equine is not liable for the injury or death of a person involved in equine activities resulting from the inherent risks of equine activities, as defined in Section 895.481(1)(e) of the Wisconsin Statutes.

RELEASE AND HOLD HARMLESS: I acknowledge the risks involved in riding and working around horses, which includes injury from using, riding, training, or being in close proximity to horses. In addition, it is my clear understanding that both horse and rider can be injured in normal daily activities, as well as during showing and competition.

I, _____, hereby agree to hold harmless and indemnify BEOMOR FARM, LLC, its assigns, and its employees, and further release them from any liability or responsibility for accidents, damage, injury or illness to the undersigned for any horse owned by BEOMOR FARM, LLC, owned by the undersigned, or to any family member or guest accompanying the undersigned while on the premises of BEOMOR FARM, LLC.

HELMET RELEASE WAIVER: It is statistically clear that there are certain inherent dangers associated with horseback riding. One of those dangers is the risk of suffering serious head injury should the rider fall or be thrown from the horse. It is, therefore the policy of BEOMOR FARM, LLC and its assigns that an ASTM safety riding helmet will be worn at all times when the rider is near to, working with or mounted on a horse.

I, _____, being fully aware of this policy and the reason for it, chose of my own free will, NOT to wear an ASTM safety riding helmet. In taking this action, I hold BEOMOR FARM, LLC, its assigns, and their insurer free of any liabilities for injuries that I may receive as a result of my actions and failure to wear an ASTM safety riding helmet.
